Warranty Terms & Conditions

This turbocharger is covered by a 6-month warranty from the date of purchase.

The warranty covers defects in materials and workmanship under normal use.

It does not cover:

- Damage caused by oil starvation, contamination, or poor-quality oil.
- Damage from foreign objects entering the turbo.
- Improper installation or tuning.
- Over-speeding or excessive boost pressure.

The warranty is valid only if the turbocharger is installed by a qualified professional, with proof of oil change and system cleanliness prior to installation.

In the event of a claim, the turbocharger must be returned for inspection.

If a manufacturing defect is confirmed, it will be repaired or replaced at no cost.

The customer is responsible for shipping costs related to warranty claims.
